

Imagine It...Kidz

THE ULTIMATE PARTY PLACE AND MORE

Imagine it Kidz has been hosting birthday parties since 1999. We have now expanded our business to include Funomenal Functions, a complete event planning service, offering you a stress-free orchestration for all your affairs, where every detail is handled from design to clean-up. We have creative and talented hosts for any party you may request, as well as, a hands on designer for any theme you would like to have.

At Imagine it Kidz, our theme parties are the most popular for children. Included in some of the themes for the younger children are the pirate/mermaid, princess, firehouse/fireman, tea parties, and carnival themes. Older children can enjoy a diva theme, make-up/salon, DJ/MC dance party, basketball, bowling, or any theme you may desire.

We will set up at the location of your choice, or we will find the location for you. Check out our website at www.ImagineitKidz.com. In addition to your theme, we can also provide, Costume Characters, Face Painting, Arts-n-Crafts, DJ's, Carnival Rentals, and Amusement Games.

Through Imagine it Kidz and Funomenal Functions, there will be no birthday party, event, social, luncheon, bridal or baby shower, bar/bat mitzvah, graduation, religious celebration, holiday affair, auction, charity event, school fair, or promotional event, too big or small!
